

Limited Dental Warranty

Drs. Khansari and Rafie are proud of the dentistry they provide for you and your family. Our goal is not just to correct any dental problems you may have, but also show you how to prevent dental disease in the future, and to save you time and unnecessary expense.

The long-term success of the treatment we provide depends on the care of your teeth and gums at home and keeping all recommended professional cleanings within the recommended timeframes. These appointments include periodic examinations by the dentist of the teeth, gums, bone, oral cavity, throat, muscles of the head and neck, oral cancer screenings, x-rays, cleanings and fluoride treatments. The products we recommend for you and the frequency of visits depends on your individual condition. Visits may be every 2,3,4 or 6 months, depending on your oral health. With that in mind, we offer the following limited dental warranties, provided, we have your assistance in maintaining these periodic appointments.

Composite (Tooth Colored) Fillings:

We will replace or repair a Resin-based Composite (tooth colored filling) in the event of failure for a period of 3 years. Composite restorations done as a *compromised* form of treatment (instead of a crown, inlay, onlay or veneer) are not covered under this warranty. If the restoration itself breaks or fractures within 3 years and requires a crown or onlay, we will credit the initial cost of the filling towards the crown. You must keep up with the prescribed recall (exam/cleaning) appointments and x-rays to allow us to properly monitor and maintain the restorations or this warranty is null and void (minimum recall every 6 months).

Crowns, Bridges, Inlays, Onlays and Porcelain Veneers:

We will warranty our lab and office made restorations for a full 5 years. We will replace or repair them at no charge during the five-year period if the restorations break, decay, or loosen with normal use. This does not include accidents that could also break normal, healthy teeth. Breakage or fracture of the natural tooth supporting a restoration is not covered by this warranty. You must keep up with the prescribed recall (exam/cleaning) appointments and x-rays to allow us to properly monitor and maintain the restorations or this warranty is null and void (minimum recall every 6 months).

****Disclaimer***

- Cash refunds will not be given for failed restorations
- Failure or repairs resulting from neglect, abuse, failure of supportive tooth or tissue structures, improper adjustments or improper dental hygiene will not qualify for warranty
- Failure to complete necessary dental treatments as prescribed by our office to prevent gum infection and tooth decay, which have a tendency to spread from tooth to tooth, will void this dental warranty
